

681—9.2(262) Transfers. All transfer applicants from any institution of higher learning to a university governed by the board of regents are asked about their eligibility to return to the institution from which the applicant is transferring. If the applicants are not eligible to return, the following rules apply:

9.2(1) *Transfers among regent institutions.* Transcripts at all regent universities now include an appropriate notation if a student is ineligible for readmission or reenrollment. Admission is denied if the applicant currently is under disciplinary suspension or has been dismissed from one of the other regent universities for violation of the regents' rules of personal conduct and is not eligible to reenter. Further, if such transfer applicant is currently on probation for having violated the regents' rules of personal conduct at one university, the applicant, if admitted to another regent university, is admitted on probation.

9.2(2) *Transfers from nonregent institutions.* If the application for admission or the transcript from another institution shows that the applicant is not eligible to reenroll there, further inquiry will be made to determine the reason. Such inquiry may lead to admission, conditional admission, or denial of admission. Appeals from the decision will be referred to appropriate university channels.

9.2(3) *Applications from "visitors."* "Visitors" to the campus who are believed to have violated the rules of personal conduct and who later apply for admission or employment may be denied admission or employment because of their prior conduct, subject to review if the denial is appealed by the applicant. An applicant who would be subject to such a denial and review at any university governed by the board of regents shall be subject to the same denial and review by the other two regent universities if application for admission or employment is made to them. The three universities shall cooperate in making known the identity of persons barred from admission or employment among all three institutions.
