

701—274.4(423B) Identification of retail establishments. The eligible city shall assist the department of revenue in identifying retail establishments in the urban renewal area that are collecting the local sales and services tax. The department of revenue will identify sales tax permit holders within the urban renewal area using the geographic information system boundary file, if available, provided to the department. If no boundary file is provided, the department will rely upon the map submitted by the eligible city. If any of the urban renewal area boundaries submitted are street centerlines, the information provided to the department shall indicate whether only retail establishments within the bounded area should be considered part of the urban renewal area, or if in addition to the retail establishments within the bounded area, retail establishments immediately adjacent to the bounded area should also be included.
