

**701—302.58(422) Exclusion of distributions from retirement plans by national guard members and members of military reserve forces of the United States.** For tax years beginning on or after January 1, 2002, members of the Iowa national guard or members of military reserve forces of the United States who are ordered to national guard duty or federal active duty are not subject to Iowa income tax on the amount of distributions received during the tax year from qualified retirement plans of the members to the extent the distributions were taxable for federal income tax purposes. In addition, the members are not subject to state penalties on the distributions even though the members may have been subject to federal penalties on the distributions for early withdrawal of benefits. Because the distributions described above are not taxable for Iowa income tax purposes, a national guard member or armed forces reserve member who receives a distribution from a qualified retirement plan may request that the payer of the distribution not withhold Iowa income tax from the distribution.

This rule is intended to implement 2011 Iowa Code Supplement section 422.7 as amended by 2012 Iowa Acts, Senate File 2097.
