

701—302.6(422) Interest and dividend income. This rule applies to interest and dividends from foreign securities and securities of state and other political subdivisions. Interest and dividends from foreign securities and from securities of state and other political subdivisions are to be included in Iowa taxable income. Certain types of interest and dividends, because of specific exemption, are not included in income for federal tax purposes. To the extent such income has been excluded for federal income tax purposes, unless the term of income is specifically exempted from state taxation by the laws or constitutions of Iowa or of the United States, it must be added to Iowa taxable income.

This rule is intended to implement Iowa Code section 422.7.
