

**701—307.8(260E) New job tax credit from withholding.** The Iowa industrial new jobs training program is a program administered by the economic development authority for projects established by a community college for the creation of jobs by providing education and training of workers for new jobs for new or expanding industries. For employers that have entered into an agreement with a community college under Iowa Code chapter 260E, a credit equal to 1.5 percent of the wages paid by the employer to each employee covered by the agreement can be taken on the Iowa withholding tax return. If the amount of withholding by the employer is less than 1.5 percent of the wages paid to the employees covered by the agreement, the employer can take the remaining credit against Iowa tax withheld for other employees. An employee does not include a resident of Illinois who earns wages in Iowa since these employees are not subject to Iowa withholding tax in accordance with the Iowa-Illinois reciprocal tax agreement discussed in 701—subrule 300.13(1). The administrative rules for the Iowa industrial new jobs training program administered by the economic development authority may be found in 261—Chapter 5.

This rule is intended to implement Iowa Code section 260E.2 as amended by 2012 Iowa Acts, Senate File 2212, and section 260E.5.
