

721—12.2(29C) Notification and insurance verification. Within 15 days of entering the state in response to a disaster in accordance with Iowa Code section 29C.24, an entity shall file with the secretary of state the following information, from the secretary of state's prescribed form for out-of-state corporations for disaster recovery.

1. Name.
2. State of domicile.
3. Principal business address.
4. Federal employer identification number.
5. The date the entity entered the state.
6. Contact information.
7. Certificate of worker compensation insurance.
8. Certificate of liability insurance.
9. A signed statement that the out-of-state business is in the state for the purpose of responding to a declared state disaster or emergency.
