

751—10.2(8D) Written warning, suspension, probation or revocation of authorization to use the network. The commission may provide a written warning, suspend, place on probation, or revoke the authorization of any authorized user to use the network or a requesting authorized user sponsoring an event on the network or disconnect any authorized facility or disconnect an originating authorized facility for one or more of the following reasons:

1. In the case of a video transmission, a requesting authorized user allows a use of the network by an unauthorized user;
2. In the case of a data or voice transmission, an authorized user allows use of the network by an unauthorized user;
3. Selling or reselling network time to an authorized user or an unauthorized user;
4. Failure to pay the appropriate rate for services rendered by the commission;
5. Failure to adhere to any terms or conditions contained in any agreement between the commission and the authorized user;
6. Failure to be present or participate in or have a contract authorizing originating use for a full motion interactive video session;
7. Any fraud, deceit, misrepresentation or other conduct prejudicial to the commission in the operation of network;
8. Any violation of federal, state or local law or allowing the violation of any of these laws on premises occupied by or controlled by any person over whom the authorized user has substantial control;
9. Obtaining use of the network by fraud, misrepresentation, or concealment;
10. Making a knowing misrepresentation of fact to the commission or its staff on any report, application form or questionnaire required to be submitted to the commission or its staff;
11. Denying the commission or its authorized representatives access to a fiberoptic termination site or any other access to fiberoptic cable or optronics equipment deemed necessary for the operation of the network;
12. Failure to promptly produce for inspection or audit within a reasonable time any book, record, document or other item required to be produced by law, these rules, or the terms of any agreement between the commission and the authorized user related to the use of the network;
13. Failure to follow the instructions of the commission for the operation of the equipment in the commission's portion of a shared fiberoptic termination site room;
14. Failure to notify the commission of a material change of circumstances regarding the organizational structure of an authorized user that would change the status of an authorized user or authorized user of the network;
15. Any other activity or action related to the use of the fiberoptic network by an authorized user or by an authorized facility that the commission determines is in violation of state or federal law or these rules.
