

751—11.5(8D) Authorized connections to the network. The commission shall have the sole and exclusive authority to determine whether any person or entity may use the commission's point of presence sites to connect in any location in the state where the commission has established a network connection as otherwise permitted by state or federal law. In the event the commission determines that some other person or entity has attempted to connect to a network location, the commission may demand removal of the unauthorized equipment within 90 days upon written notice to the owner of the equipment. In the event the equipment is not removed within 90 days, the commission may disconnect the equipment at the owner's expense and prevent any further connectivity pending a hearing in conformance with 751—Chapter 4 to determine whether the use of the network's site is appropriate.
