

751—14.2(8D) Use of a video classroom. The primary use of an interactive video classroom is to accomplish the written mission of the authorized user. The commission, through its various advisory councils, shall establish request for usage procedures that address the use and availability of video classrooms, including hours of operation, availability for other authorized users, discretion of authorized facilities to deny or cancel requested use, and other non-network related usage of classrooms connected to the network. The intent of such request for usage procedures will be to encourage the greatest allowable use of interactive video classrooms while preserving appropriate local authority and control over authorized facilities. The procedures shall be forwarded to the commission upon completion. The procedures shall be completed by January 1, 1998.
