

751—17.1(8D) Content of transmissions. The commission and the commission's staff shall not monitor the content of transmissions on the network. From time to time, it may be necessary to monitor transmissions on the network to effect trouble isolation and correction. This type of monitoring will be kept to an absolute minimum and used only to efficiently and effectively manage the network. Each authorized user shall have responsibility that the use of the network is consistent with the mission of the authorized user and consistent with the law and these rules. Discovery of an unauthorized monitoring must be reported back to the authorized user.
