

761—118.7(306C) Business sign replacement.

118.7(1) *Damaged business signs.* If a business sign is destroyed due to an errant vehicle or act of nature, the business, at its own expense, will need to furnish a replacement business sign. The department, due to an errant vehicle or act of nature, will waive any service fee associated in the work to replace the sign. If the specific service sign for which the business sign is attached can safely be repaired or re-erected while permanent repairs are on order through a contractor, the department will perform this work.

118.7(2) *Faded business signs.* The department may remove business signs that are faded or peeling after providing 60 days' notice to the business. If the business furnishes replacement business signs to the department in advance, the department may remove and replace business signs in the same service trip. This ensures continuity of signing and reduces department expenses.

118.7(3) *Updating a design.* If a business wants to update the design of a business sign, the process described in rule 761—118.6(306C) applies. The business will be billed in accordance with paragraph 118.5(4)“c.”
