

761—604.7(321) Examination.

604.7(1) An examination shall include:

- a.* A vision screening if the person has not filed a vision report.
- b.* A knowledge test of Iowa traffic laws and highway signs.
- c.* A driving test of the person's ability to operate a motor vehicle.

604.7(2) The examination required for a driver's license depends upon the class of license requested, applicable endorsements, and the qualifications of the applicant.

This rule is intended to implement Iowa Code sections 321.186 and 321.186A.
