

761—810.2(327C) Track inspection.

810.2(1) *Credentials required.* Authorized departmental employees shall be admitted to any railroad property to conduct safety inspections of the track and track structures and shall present state identification cards upon request.

810.2(2) *Measurement tools and vehicles.* Rescinded IAB 8/6/03, effective 9/10/03.

This rule is intended to implement Iowa Code section 327C.4.
