**9.2(1)** Commissioner to update county records. Each commissioner shall examine the data provided by the NCOA vendor and shall update the county’s registration records on the basis of that data in accordance with Iowa Code subsections 48A.27(4) and 48A.27(5).

**9.2(2)** The commissioner shall process the registration records of voters who have moved within the county as well as the registration records of voters who have moved outside the county. For in-county moves, the commissioner shall change the voter’s residential address to the address provided by the NCOA vendor. For out-of-county moves, the commissioner shall change the status of the voter registration record to “inactive.”

**9.2(3)** In order to avoid complications because of scheduled special elections, the state registrar shall provide two date ranges in which the commissioner shall process NCOA records. The primary date range occurs first and shall apply to all counties that do not have a special election scheduled to be held within that date range. The second date range shall apply only to those counties that have a special election scheduled to be held during the primary date range.
