

875—69.1(17A,89A) Reconsideration of inspection report. The owner or operator of a piece of equipment subject to a written inspection report may petition the director for reconsideration of the report within 30 days of the issuance of the report. Failure to seek timely reconsideration of the inspection report is a waiver of all appeal rights. The burden of demonstrating compliance with all applicable statutory provisions, administrative rules, and codes adopted by reference rests upon the petitioning owner or operator.

69.1(1) A petition for reconsideration shall be in writing and must be signed by the requesting party or a representative of that party. The required form for a petition for reconsideration is available on the board's website. A petition for reconsideration specifies:

- a.* The party seeking reconsideration, including mailing address and telephone number;
- b.* The location of the equipment subject to the challenged inspection report;
- c.* The inspection date;
- d.* The inspector who issued the challenged inspection report;
- e.* The specific findings or conclusions to which exception is taken;
- f.* The relief sought.

69.1(2) A copy of the challenged inspection report shall be attached to the petition for reconsideration. The petitioning party shall also include all relevant documents that the petitioning party desires the director to consider when evaluating the petition.

69.1(3) The director or a designee of the director is authorized to seek additional information relating to a petition for reconsideration from the petitioning party or any other entity possessing information the director deems relevant to the petition. This subrule, however, does not impose any responsibility or duty on the director to discover documents or other information that was not submitted with the petition for reconsideration.

69.1(4) Any petition for reconsideration that is not received by the office of the director within 30 days of the issuance of the challenged inspection report is untimely and will not be considered by the director.

69.1(5) The director will not consider any request for waiver of an administrative rule made as part of a petition for reconsideration. Requests for waivers of administrative rules may only be made to the board pursuant to the provisions of 875—Chapter 66.

69.1(6) The director shall issue a written ruling on the petition for reconsideration. In ruling on a petition for reconsideration, the director may:

- a.* Affirm the inspection report as issued;
- b.* Issue an amended inspection report;
- c.* Rescind the inspection report;
- d.* Deny the petition as untimely.

69.1(7) Any petition for reconsideration that is not ruled upon by the director within 20 days of receipt by the office of the director shall be deemed denied and the challenged inspection report affirmed as issued.
