

876—8.2(85) Overtime. The word “overtime” as used in Iowa Code section 85.61 means amounts due in excess of the straight time rate for overtime hours worked. Such excess amounts shall not be considered in determining gross weekly wages within Iowa Code section 85.36. Overtime hours at the straight time rate are included in determining gross weekly earnings.

This rule is intended to implement Iowa Code sections 85.36 and 85.61.
