

**641—92.3(135) Committee.** The committee is an ad hoc committee appointed by the director on a case-by-case basis. The committee shall include a medical examiner, a pediatrician who is knowledgeable concerning deaths of children, and a person involved in law enforcement. The committee may also consult with individuals with specific child death expertise as necessary to perform the duties and responsibilities of the committee. The department shall provide staffing and administrative support to the committee.
