

441—90.6(249A) Documentation and billing.

90.6(1) *Documentation of contacts.* Subrule 90.6(1) applies to all categories of case management and all populations covered by case management.

90.6(2) *Rounding units of service for case management services.* Subrule 90.6(2) applies only to targeted case management provided to FFS members or case management provided to brain injury or elderly waiver FFS members. For all fee-for-service case management units of service, the following rounding process shall be used:

- a.* Add together the minutes spent on all billable activities during a calendar day for a daily total;
- b.* For each day, divide the total minutes spent on billable activities by 15 to determine the number of full 15-minute units for that day;
- c.* Round the remainder using these guidelines: Round 1 to 7 minutes down to zero units; round 8 to 14 minutes up to one unit; and
- d.* Add together the number of full units and the number of rounded units to determine the total number of units to bill for that day.

90.6(3) *Collateral contacts.* Subrule 90.6(3) applies only to targeted case management provided to FFS members or case management provided to brain injury or elderly waiver FFS members. For all fee-for-service case management units of service, the case manager may bill for documented contacts with other entities and individuals if the contacts are directly related to the member's needs and care, such as helping the member access services, identifying needs and supports to assist the member in obtaining services, providing other case managers with useful feedback, and alerting other case managers to changes in the member's needs.
