**6.2(1) Collegiate education.** Applicants must hold a bachelor's degree or higher from an accredited college, junior college, community college, or university. An applicant who submits a master's degree or higher as proof of the applicant's bachelor's degree must include an affidavit or a copy of the bachelor's degree attesting that the bachelor's degree is from an accredited college or university.

**6.2(2) Core criteria.** In addition to the formal education in 6.2(1), an applicant must meet the current AQB requirements before taking the AQB-approved examination. All courses must be AQB-approved under current core criteria to be considered creditable.

**6.2(3) Degree program.** Credit toward core criteria qualifying education requirements may also be obtained via the completion of a degree in real estate from an accredited degree-granting college or university, provided that the college or university has had its curriculum reviewed and approved by the AQB.
