c. Any surcharges or withholdings in addition to the takeout shall be applied only in the jurisdiction otherwise imposing such surcharges or withholdings.

d. In determining whether to approve an interstate common pool which does not include the host facility or which includes contests from more than one facility, the commission representative shall consider and may approve use of a bet type which is not utilized at the host facility, application of a takeout rate not in effect at the host facility, or other factors which are presented to the commission representative.

e. The content and format of the visual display of racing and wagering information at facilities in other jurisdictions where wagering is permitted in the interstate common pool need not be identical to the similar information permitted or required to be displayed under these rules.

d. Rules established in the state of the host facility designated for a pari-mutuel pool shall apply.

**8.5(3) Host state participation in merged pools.**

a. With the prior approval of the commission representative, a facility licensed to conduct pari-mutuel wagering may determine that one or more of its contests be utilized for pari-mutuel wagering at guest facilities in other jurisdictions and may also determine that pari-mutuel pools in guest jurisdictions be combined with corresponding wagering pools established by it as the host facility or comparable wagering pools established by two or more jurisdictions.

b. When takeout rates in the merged pool are identical, the net-price calculation shall be the method by which the differing takeout rates are applied.

c. Rules of racing established for races held in this state shall also apply to interstate common pools unless the commission representative specifically determines otherwise.

d. The commission representative shall approve agreements made between the facility and other participants in interstate common pools governing the distribution of breakage between the jurisdictions.

e. Any contract for interstate common pools entered into by the facility shall contain a provision to the effect that if, for any reason, it becomes impossible to successfully merge the bets placed in another jurisdiction into the interstate common pool formed by the facility or if, for any reason, the
