

**567—211.2 (455F) Definitions.** The definitions set out in Iowa Code section 455B.301 shall be considered to be incorporated verbatim in these rules. For the purposes of this chapter, these terms shall have the following meanings:

*“Applicant for an RCC establishment grant”* means a local government or a public agency representing local governments pursuant to Iowa Code chapter 28E.

*“Conditionally exempt small quantity generator”* or *“CESQG”* means a generator that in a calendar month generates no more than 100 kilograms of hazardous waste in that month and is further defined by 40 CFR 261.5.

*“Department”* means the Iowa department of natural resources.

*“Eligible private agency”* means a privately owned landfill, transfer station or citizen convenience center which acts as an RCC or MUCCC as part of an approved comprehensive plan pursuant to Iowa Code section 455B.306. The facility must either include hazardous waste collection activities in its SDP permit or have an RCC or MUCCC permit in accordance with the requirements of 567—Chapter 123.

*“Financial assistance”* means monetary assistance including grants, cash payments, or support by other financial means.

*“Hazardous materials disposal costs”* means costs incurred from a hazardous waste contractor for disposal of household hazardous materials and hazardous waste from conditionally exempt small quantity generators. Costs may include, but are not limited to, transportation to the hazardous waste contractor, incineration, fuel blending, hazardous waste landfilling, and waste profile testing. *“Hazardous materials disposal costs”* does not include transportation from a satellite to a main RCC facility, staff time, equipment, overhead costs, or costs to dispose of waste that is not HHM or a hazardous material.

*“Hazardous waste contractor”* means a private company that provides management (e.g., recycling, disposal) of hazardous waste in compliance with federal regulations. *“Hazardous waste contractor”* does not include regional collection centers.

*“Household hazardous materials”* or *“HHM”* means the same as defined in Iowa Code subsection 455F.1(4).

*“Indirect costs”* means costs that are not identifiable with a specific product, function or activity.

*“Mobile unit collection and consolidation center”* or *“MUCCC”* means a government agency or private agency under contract with a government agency as part of a solid waste comprehensive plan that provides HHM collection events at temporary sites. Collection events are held a minimum of 16 hours per month in each county served by the MUCCC. MUCCCs do not provide public access to a fixed facility. Materials collected are consolidated and stored for removal by a hazardous waste contractor. MUCCCs do not include RCCs that utilize a mobile collection unit along with access to a permanent facility.

*“Overhead costs”* means expenses not chargeable to a particular part of the work or product including, but not limited to, utilities and insurance.

“*RCC mobile unit*” means a truck or trailer belonging to a regional collection center that can be moved to different sites within a region. A mobile unit is used to perform collection events and to transport collected materials to the fixed RCC.

“*Regional collection center*” or “*RCC*” means a secured facility at which collection, sorting, and packaging of household hazardous materials and hazardous materials from CESQGs are accomplished prior to transportation of these wastes to the final disposal site. RCCs have regular hours during which the public may drop off hazardous materials. An RCC may be a government agency or a private agency under contract with a government agency as part of a solid waste comprehensive plan. RCCs are referred to as temporary collection sites in Iowa Code subsection 455F.8A(1).

“*Satellite facility*” means a secured facility at which collection and storage of household hazardous materials and hazardous materials from CESQGs are accomplished prior to transportation of these wastes to an RCC. A satellite facility has a written contract with an RCC for the removal of collected waste. A satellite facility may be operated by a government agency or a private agency under contract with a government agency as part of a solid waste comprehensive plan. A satellite facility is available for public drop off of hazardous materials either during regularly scheduled hours or by appointment.

“*Staffing costs*” means salaries and benefits related to payment of personnel.
