

567—211.9 (455F) RCC and MUCCC household hazardous material disposal funding.

211.9(1) All RCCs and MUCCCs, whether they are operated by a public agency or an eligible private agency, may receive funding from the department to offset the cost associated with proper disposal of household hazardous waste. The source for this funding is described in Iowa Code section 455E.11(2)“a”(2)(d) and (e).

211.9(2) To be eligible to receive disposal-funding assistance, an RCC or MUCCC must:

- a.* Have hazardous materials removed by a licensed hazardous waste contractor.
- b.* Complete the hazardous materials collection semiannual report on a form supplied by the department.
- c.* Attach the hazardous waste contractor invoices depicting hazardous material types, net weight of hazardous materials, and associated management fees charged by the hazardous waste contractor.
- d.* Submit semiannual reports by September 1 for the portion of the fiscal year January 1 through June 30, and by March 1 for the portion of the fiscal year July 1 through December 31. Reports submitted after the due date without prior approval by the department are not eligible for reimbursement.

211.9(3) The fall payments will be based on the report due September 1 and on available funding. An RCC or MUCCC will receive a percentage of the available funding in an amount proportional to the amount of HHM the RCC or MUCCC disposed of through a hazardous waste contractor, as reported on the hazardous materials collection semiannual report form, compared to the total amount of HHM disposed of by all RCCs and MUCCCs. The fall payment shall not exceed total disposal costs for the reporting period.

The spring payments will be based on the total pounds reported for the calendar year and on available funding. An RCC or MUCCC will receive a percentage of the available funding for the calendar year minus the amount received for the fall payment, in an amount proportional to the amount of HHM the RCC or MUCCC disposed of through a hazardous waste contractor, as reported on the hazardous materials semiannual report form for the calendar year, compared to the total amount of HHM disposed of by all RCCs and MUCCCs. The spring and fall payments combined shall not exceed an RCC's or MUCCC's total disposal costs for the calendar year.
