

645—63.18 (157) Prohibited hazardous substances and use of products and equipment.

63.18(1) No salon or school shall have on the premises cosmetic products containing substances which have been banned or otherwise deemed hazardous or deleterious by the FDA for use in cosmetic products. Prohibited products include, but are not limited to, any product containing liquid methyl methacrylate monomer and methylene chloride. No product shall be used in a manner that is not approved by the FDA. Presence of a prohibited product in a salon or school is prima facie evidence of that product's use in the salon or school.

63.18(2) No salon or school shall have on the premises any razor-edged device or tool which is designed to remove skin. The presence of such equipment shall be prima facie evidence of the equipment's use.

63.18(3) Fish pedicures are prohibited in salons and schools.

63.18(4) No salon or school shall have chamois buffers. If chamois buffers are observed in the workplace, their presence shall be prima facie evidence of their use.
