

645—63.22(157) General maintenance. All areas of the salon and school shall be clean and in good repair.

63.22(1) Walls, floors, and fixtures must be kept clean and in good repair at all times.

63.22(2) After January 1, 2010, carpeting is not permitted in the working area of the establishment unless the carpeting was installed prior to January 1, 2010. Carpeting shall only be allowed in the reception and hooded dryer areas.
