

193—7.8(17A) Requests for contested case proceeding. Any person claiming an entitlement to a contested case proceeding shall file a written request for such a proceeding within the time specified by the particular rules or statutes governing the subject matter or, in the absence of such law, the time specified in the board action in question.

The request for a contested case proceeding shall state the name and address of the requester; identify the specific board action which is disputed; describe issues of material fact in dispute; and, where the requester is represented by a lawyer, identify the provisions of law or precedent requiring or authorizing the holding of a contested case proceeding in the particular circumstances involved. If the board grants the request, the board shall issue a notice of hearing. If the board denies the request, the board shall issue a written order specifying the basis for the denial.
