

441—9.5(17A,22) Requests for treatment of a record as a confidential record and its withholding from examinations. The custodian may treat a record as a confidential record and withhold it from examination only to the extent that the custodian is authorized by Iowa Code section 22.7, another applicable provision of law, or a court order, to refuse to disclose that record to members of the public.

9.5(1) *Persons who may request.* Any person who would be aggrieved or adversely affected by disclosure of a record and who asserts that Iowa Code section 22.7, another applicable provision of law, or a court order, authorizes the custodian to treat the record as a confidential record, may request the custodian to treat that record as a confidential record and to withhold it from public inspection.

9.5(2) *Request.* A request that a record be treated as a confidential record and be withheld from public inspection shall be in writing and shall be filed with the custodian.

a. The request must set forth the legal and factual basis justifying such confidential record treatment for that record, and the name, address, and telephone number of the person authorized to respond to any inquiry or action of the custodian concerning the request.

b. A person requesting treatment of a record as a confidential record may also be required to sign a certified statement or affidavit stating the specific reasons justifying the treatment of that record as a confidential record and to provide any proof necessary to establish relevant facts.

c. Requests to temporarily treat a record as a confidential record shall specify the precise period of time for which that treatment is requested.

d. A person filing such a request shall, if possible, provide a copy of the record in question from which those portions for which such confidential record treatment has been requested have been deleted. If the original record is being submitted to the department by the person requesting confidential treatment at the time the request is filed, the person shall indicate conspicuously on the original record that all or portions of it are confidential.

9.5(3) *Failure to request.* Failure of a person to request confidential record treatment for a record does not preclude the custodian from treating it as a confidential record. However, if a person who has submitted business information to the department does not request that it be withheld from public inspection under Iowa Code sections 22.7(3) and 22.7(6), the custodian of records containing that information may proceed as if that person has no objection to its disclosure to members of the public.

9.5(4) *Timing of decision.* A decision by the custodian with respect to the disclosure of a record to members of the public may be made when a request for its treatment as a confidential record that is not available for public inspection is filed, or when the custodian receives a request for access to the record by a member of the public.

9.5(5) *Request granted or deferred.* If a request for such confidential record treatment is granted, or if action on such a request is deferred, a copy of the record from which the matter in question has been deleted and a copy of the decision to grant the request or to defer action upon the request will be made available for public inspection in lieu of the original record. If the custodian subsequently receives a request for access to the original record, the custodian will make reasonable and timely efforts to notify any person who has filed a request for its treatment as a confidential record that is not available for public inspection of the pendency of that subsequent request.

9.5(6) *Request denied and opportunity to seek injunction.* If a request that a record be treated as a confidential record and be withheld from public inspection is denied, the custodian shall notify the requester in writing of that determination and the reasons therefor. On application by the requester, the custodian may engage in a good faith, reasonable delay in allowing examination of the record so that the requester may seek injunctive relief under the provisions of Iowa Code section 22.8, or other applicable provision of law. However, such a record shall not be withheld from public inspection for any period of time if the custodian determines that the requester had no reasonable grounds to justify the treatment of that record as a confidential record. The custodian shall notify requester in writing of the time period allowed to seek injunctive relief or the reasons for the determination that no reasonable grounds exist to justify the treatment of that record as a confidential record. The custodian may extend the period of good faith, reasonable delay in allowing examination of the record so that the requester may seek injunctive relief only if no request for examination of that record has been received, or if a court directs

the custodian to treat it as a confidential record, or to the extent permitted by another applicable provision of law, or with the consent of the person requesting access.

9.5(7) Rights to request privacy protection for protected health information. When the subject is requesting a restriction or confidential communication of protected health information, the department shall follow the provisions of this subrule, as applicable, in addition to the provisions of subrules 9.5(1) through 9.5(6).

a. Restriction of uses and disclosures.

(1) The subject may request that the department restrict uses or disclosures of the subject's protected health information:

1. To carry out treatment, payment, or health care operations; and
2. To persons involved in the subject's care or for notification purposes as permitted under subrule 9.7(3).

(2) The subject shall submit a request to the department on Form 470-3953, Request to Restrict Use or Disclosure of Health Information. If applicable, the subject shall provide verification that it is reasonable to anticipate the use or disclosure will endanger the subject.

(3) The department is not required to agree to a restriction. The department shall deny any restriction when the restriction would adversely affect the quality of the subject's care or services, the restriction would limit or prevent the department from making or obtaining payment for services, or federal or state law requires the use or disclosure. The department shall approve the request for restriction only when the use or disclosure would endanger the subject and none of the above reasons for denial apply.

(4) The department shall send the subject a written notice to accept or deny the restriction.

(5) If the department agrees to a restriction, it may not use or disclose protected health information in violation of the restriction. **EXCEPTION:** The department may use restricted protected health information or disclose the information to a health care provider when needed for the emergency treatment of the subject who requested the restriction. If restricted protected health information is disclosed to a health care provider for emergency treatment, the department shall request that the health care provider not further use or disclose the information.

(6) A restriction agreed to by the department under paragraph 9.5(7) "a" shall not prevent disclosures of protected health information to the Secretary of Health and Human Services to investigate or determine the department's compliance with federal HIPAA regulations. Also, a restriction shall not prevent uses or disclosures permitted or required for the categories listed in subparagraphs 9.14(5) "a"(1) through (11).

(7) The department may terminate its agreement to a restriction in writing if:

1. The subject agrees to or requests the termination in writing;
2. The subject orally agrees to the termination and the oral agreement is documented; or
3. The department informs the subject that it is ending its agreement to a restriction for protected health information created or received after it has so informed the subject.

b. Confidential communications. Subjects may ask to receive communications of protected health information by alternative means or at alternative locations. The department shall accommodate reasonable requests. For Medicaid and HAWK-I, the subject is required to clearly indicate the reason for requesting the confidential communication. Facilities shall not require the subject to explain the basis for the request as a condition of providing confidential communications.

(1) The subject shall request a confidential communication from the department using Form 470-3947, Request to Change How Health Information Is Provided.

(2) The department may require the subject to provide:

1. When appropriate, information as to how payment, if any, will be handled; and
2. An alternative address or other method of contact.
