

281—32.1(259A) Purpose. The department may issue a high school equivalency diploma to a person who presents satisfactory evidence of having completed an approved high school course of study aligned with standards established by the state board of education by which high school graduation equivalency may be determined. The purpose of the high school equivalency diploma is to provide a credential to adults who have not graduated from high school and are unable to receive a high school diploma through traditional means but who are able to demonstrate attainment of knowledge, skills, and abilities that are equivalent to those that would be attained in a high school program of study.

This chapter is intended to implement the provisions of Iowa Code chapter 259A.
