b. If the successor had no account prior to the transfer and purchased the business of more than one predecessor on the same day, the final rate assigned will be a computed rate based on the combined experience of all the predecessor employers.

c. If the successor had an account prior to the transfer, the rate assigned will be the successor's existing rate. However, the successor may apply for a recomputed rate based on the combined experience of the predecessor or predecessors and the experience of the successor.
