

**571—15.8 (483A) Refund or change requests for special deer and turkey hunting licenses and general licenses.**

**15.8(1) *Invalid applications.*** Deer and turkey hunting license applications that are received after the closing date for acceptance of applications and applications that are invalid on their face will be returned unopened to the applicant. Any license fee related to an application determined invalid by a computer analysis or other analysis after the application has been processed will be refunded to the applicant, less a \$10 invalid application fee to compensate for the additional processing cost related to an invalid application.

**15.8(2) *Death of licensee.*** The fee for a deer or turkey hunting license will be refunded to the licensee's estate when the licensee's death predates the season for which the license was issued and a written request from the licensee's spouse, executor or estate administrator is received by the department within 90 days of the last date of the season for which the license was issued.

**15.8(3) *National or state emergency.*** The fee for a deer or turkey hunting license will be refunded if the licensee is a member of the National Guard or a reserve unit and is activated for a national or state emergency which occurs during the season for which the license was issued. A written refund request must be received by the department within 90 days of the last date of the season for which the license was issued.

**15.8(4) *License changes.*** The department will attempt to change an applicant's choice of season or type of license if a written or telephonic request is received by the licensing section in sufficient time (usually 20 days) before the license is printed and if the requested change does not result in disadvantage to another applicant. A change request made by telephone must be verified in writing by the requester before the change request will be honored. The department's ability to accommodate requests to change the season or license type is dependent on workload and processing considerations. If the department cannot accommodate a request to change a season or license type, the license will be issued as originally requested by the applicant. No refund will be allowed. The department will not change the name on the license from that submitted on the application.

**15.8(5) *Duplicate purchases of general hunting and fishing licenses.*** Upon a showing of sufficient documentation (usually a photocopy of the licenses) that more than one hunting or fishing license was purchased by or for a single person, the department will refund the amount related to the duplicate purchase. A written request for refund, with supporting documentation, must be received by the licensing section within 90 days of the date on the face of the duplicate licenses.

**15.8(6) *Other refund requests.*** Except as previously described in this rule, the department will not issue refunds for any licenses as defined in 571—15.2(483A).
