

193C—3.2 (542B) Examination application components and due dates.

3.2(1) *Fundamentals of Engineering examination application components and due dates.* Applications for the Fundamentals of Engineering examination are submitted directly to the examination service selected by the board to administer the examinations.

3.2(2) *Fundamentals of Land Surveying examination application components and due dates.* The components of this application include: the completed, notarized application form; references pursuant to 193C—paragraph 5.1(5)“b”; and transcripts. Fundamentals of Land Surveying examination applications must be submitted to the board office. Examinations are offered during four two-month testing periods throughout the year. Applications must be postmarked on or before October 15 for the January/February window, February 15 for the April/May window, April 15 for the July/August window, and August 15 for the October/November window.

3.2(3) *Principles and Practice examination application components and due dates.* Principles and Practice of Engineering and Principles and Practice of Land Surveying examination applications require a detailed review and must, therefore, be submitted to the board office, postmarked on or before July 15 of each year for the examination given in the fall and on or before January 15 of each year for the examination given in the spring. The Principles and Practice examination application packet, including the following components, must be postmarked on or before the deadline date: (1) the completed, notarized and signed application form; (2) the required number of references; (3) the project statement; and (4) the ethics questionnaire. In addition, a complete application file must include verification of examination records and transcripts. Examination applications will not be reviewed by the board until the application file is complete. Since the verification of examination records must be sent directly from the jurisdiction where the applicant took the Fundamentals of Engineering examination, the applicant should contact the other jurisdiction well in advance of the deadline for submittal of the application to request this verification in order to ensure that the verification is received by the board no later than July 25 for the fall examination or by January 25 for the spring examination. For transcripts, the applicant should contact the university well in advance of the deadline for submittal of the application to ensure that the transcripts are received no later than July 25 for the fall examination or by January 25 for the spring examination. Examination application files that are not complete by January 25 will not be reviewed for the spring examination. Likewise, examination applications that are not complete by July 25 will not be reviewed for the fall examination.
