**22.2(2)** An applicant for autism program services shall be less than the age of nine at the time of application for the program. Proof of age must be provided at the time of application. Care coordination services will be provided by the University of Iowa regional autism assistance program (RAP) or an integrated health home. Eligible individuals who reside in counties where integrated health homes for children with a serious emotional disturbance are operational may choose to receive care coordination through the University of Iowa RAP program or an integrated health home that serves residents of the eligible individual's county of residence. Care coordination is not required as a condition of receiving services through the autism support program.

**22.2(8)** For individuals determined eligible for the program but unable to access services due to lack of available providers, the administrator shall maintain a list of such individuals and shall work to connect eligible individuals on the list to network providers.

The administrator shall maintain a waiting list of individuals denied access to the program due to lack of available funds. If additional funds become available, the administrator shall contact individuals on the list in order of the earliest date and time of the receipt of the original application. The applicant shall be allowed 30 calendar days to submit an updated application and any required information needed to determine eligibility. If the applicant does not submit required information, the applicant will be denied eligibility and removed from the waiting list maintained for individuals denied access to the program due to lack of funding. The age of the applicant at the time of the most recent application will be used when determining eligibility for the program.
