

199—13.8(479,479B) Renewal permits.

13.8(1) A petition for renewal of an original or previously renewed pipeline permit may be filed at any time subsequent to issuance of the permit but no later than one year prior to expiration of the permit. The petition will be made on the forms prescribed by the commission. Instructions for the petition are included as part of the form, which is available on the commission's website. The petition shall include the name of the pipeline company requesting renewal of the permit, the pipeline company's principal office and place of business, a description of any amendment or reportable change since the permit or previous renewal permit was issued, and Exhibits A, B, C, and D, as described in rule 199—13.3(479,479B). The commission may request additional information be filed during the review of the renewal petition and exhibits. The petition shall be attested to by an officer, official, or attorney with authority to represent the pipeline company.

13.8(2) The procedure for a petition for permit will be followed with respect to publication of notice, objections, and assessment of costs.

13.8(3) If there are unresolved issues of fact or law, or if an objection is filed within 20 days of the second publication of the published notice, the commission may set the matter for hearing. If a hearing is not required, and the petition satisfies the requirements of this rule, a renewal permit will be issued upon the filing of the proof of publication as required by rule 199—13.4(479,479B).

13.8(4) The commission will set the term of a renewal permit. The term may be less than but will not exceed 25 years from the date of issuance. The same procedure will be followed in subsequent renewals.
