Before initiating an action under Iowa Code chapter 252F, child support services may obtain a form prescribed by the department or a similar document from the child's caretaker. Child support services will obtain a form prescribed by the department from the child's mother certifying, in accordance with Iowa Code section 622.1, that the man named is or may be the child's biological father. Government records, including but not limited to an application for public assistance, that substantially meet the requirements of Iowa Code section 622.1 may also be used. In signing a form prescribed by the department, the mother acknowledges that child support services may initiate a paternity action against the alleged father. The mother must sign and return the form prescribed by the department to child support services within ten days of the date of child support services' request.
