

441—95.4(252B) Prepayment of support. Prepayment that is due to the obligee will be sent to the obligee upon receipt by the department and will be credited as payment of future months' support. Prepayment that is due the state will be distributed as if it were received in the month when due. Support is prepaid when amounts have been collected that fully satisfy the ongoing support obligation for the current month and all past months.
