

605—13.1(90GA, HF2652) Program implementation.

13.1(1) The department will produce and post a list of vendors and products on the department's website meeting the criteria in rule 605—13.2(90GA, HF2652).

13.1(2) The initial list will be established through an application form posted on the department's website at homelandsecurity.iowa.gov.

13.1(3) Vendors wishing to be added to the list at any time may submit the application found on the department's website for consideration and inclusion on the department's list.
