

**701—1101.10(99G) Disability of prizewinner.** The lottery division may petition any court of competent jurisdiction for a determination of the rightful payee for the payment of any prize winnings that are or may become due a person under a disability. For this rule's purposes, a "disability" includes but is not limited to mental deficiency, and physical or mental incapacity.

This rule is intended to implement Iowa Code sections 99G.9(2), 99G.21(2), and 99G.31.
