

**701—1101.9(99G) Prizes payable after death of winner.** All prizes and portions of prizes that remain unpaid at the time of the prizewinner's death are payable to the court-appointed representative of the prizewinner's estate or to a single individual pursuant to the terms of a final order closing the estate.

The lottery division may withhold payment until it is satisfied that the proper payee has been identified, or it may petition the court to determine the proper payee. In making payment, the lottery division may rely on the presentation of a certified copy of the letters of appointment as an administrator, executor, or other personal representative for the prizewinner's estate or on a certified copy of the final order closing the estate. Payment to the representative of the estate of the deceased owner of any prize winnings or to another individual pursuant to a final order closing the estate absolves the state, the lottery commission, the lottery division, the department of revenue, and the officials, officers, and employees of each from all further liability for payment of prize winnings.

If the winner received an annuitized prize funded through the Multi-State Lottery Association (MUSL) or any other multijurisdictional lottery organization in which the Iowa lottery participates as a member, the MUSL board or other organization board, as may be appropriate, in its sole discretion, upon the petition of the estate of the prizewinner, may accelerate the payment of all of the remaining lottery proceeds to the estate of the prizewinner. If the winner received an annuitized prize funded solely through the sales from the Iowa lottery, the lottery division, in its sole discretion, upon the petition of the estate of the prizewinner, may accelerate the payment of all of the remaining lottery proceeds to the estate of the prizewinner. If such a determination is made, then securities or cash held for the deceased prizewinner, that represents the present value of that portion of the future lottery payments that are to be accelerated, will be distributed to the estate. Valuation of the securities and determination of the present value of the accelerated lottery payments are at the sole discretion of the entity granting the petition.

This rule is intended to implement Iowa Code sections 99G.9(2), 99G.21(2), and 99G.31.
