

701—1102.8(99G) Off-premises licenses. Any retailer may apply for an off-premises license to sell tickets in locations other than that specified on the existing license. The department must specifically approve the geographical area in which sales are to be made and the types of locations at which off-premises sales are to be made prior to issuance of an off-premises license. Additional instructions and restrictions may be specified by the department to govern off-premises sales. An off-premises license expires at the time designated on the off-premises license. An off-premises license may be renewed at the department's discretion.

This rule is intended to implement Iowa Code sections 99G.9(2), 99G.21(2), and 99G.30.
