

701—1103.5(99G) Retailer costs and compensation.

1103.5(1) Pull-tab tickets are available for purchase by a retailer for a price equal to the retail price of the tickets less the value of prizes that the retailer is obligated to pay and any discounts or commissions authorized by the lottery.

1103.5(2) Scratch tickets are available for purchase by a retailer at retail price, and the department will credit the retailer's account for validations and commissions.

1103.5(3) The department may impose a service fee on retailers to cover operational costs.

1103.5(4) The department, with commission approval, shall set the base amount of retailer compensation. The base amount of compensation shall be specified in the agreement between the retailer and the department. The department may increase the total amount of retailer compensation by implementing sales incentive programs.

This rule is intended to implement Iowa Code sections 99G.9(2), 99G.21, and 99G.24.
