

701—1107.8(99G) Entry validation requirements. A valid entry is a legally acquired nonwinning lottery ticket identified as an entry for the particular drawing or contest. At its discretion, the lottery division may include legally obtained winning and nonwinning Iowa lottery online tickets in drawings and contests.

This rule is intended to implement Iowa Code sections 99G.9(2), 99G.21, and 99G.31.
