

751—1.2(17A,8D) Organization. The commission's structure consists of five commissioners and the state auditor and the chief information officer as ex officio members of the commission. The commission has the sole authority to manage, develop, operate and ensure compatibility of the state communications network. The network is supervised by the commission and operated by the executive director of the network or the executive director's designee. The executive director has rulemaking authority.
