

**761—720.5(328) Corrective action plan.** If an airport is not in compliance with minimum safety standards, the airport may submit a proposed corrective action plan that identifies a time period up to six years to bring the airport into compliance. The plan must be reasonable and attainable. The plan is subject to approval by the department, and if approved, the department may issue a certificate of registration that can be revoked at any time if an unsafe condition develops.
