

875—3.22(88,89B) Additional hazard communication training requirements.

3.22(1) *Training format.* The employer may present the training program to the employee in any format; however, the employer shall preserve a written summary and synopsis of the training, a cassette tape recording of an oral presentation, or a videotape recording of an audio-video presentation of the training relied upon by the employer for compliance with 29 CFR 1910.1200(h), and shall allow employees and their designated representatives access to the written synopsis, tape recording, or videotape recording.

3.22(2) *Review by the division.* The training program shall be available for review and approval upon inspection by the division. Upon request by the commissioner, the employer shall make available the written synopsis, cassette tape recording, or videotape recording used or prepared by the employer. The commissioner may conduct an inspection to review an actual training program or review the employer's records of a training program.
