

265—8.3 (7C) Formula for allocation.

8.3(1) The state ceiling shall be allocated among all issuers on the basis of chronological order of receipt of applications. Chronological order of receipt shall be determined by the date, hour and minute indicated by the time stamp as affixed to the application at the offices of the governor's designee.

8.3(2) All applications that are submitted for receipt pursuant to the provisions of subrule 8.4(2) shall be considered simultaneously received at the opening of business on the first business day of the calendar year, and the same date, hour and minute shall be stamped on each application so received.

a. If the total amount of allocations requested in all of the applications received pursuant to subrule 8.4(2) that seek allocations of bonds for industries pursuant to Iowa Code subsection 7C.4A(5) exceed the amount of the state ceiling available for that purpose, the applications will be considered for allocation in the order determined pursuant to the procedures set forth in paragraph 8.3(3) "a."

b. If the total amount of allocations requested in all of the applications received pursuant to subrule 8.4(2) that seek allocations of private activity bonds issued by public subdivisions, the proceeds of which are used by the issuing subdivision pursuant to Iowa Code section 7C.4A(6), exceed the amount of the state ceiling available for that purpose, the applications will be considered for allocation in the order determined pursuant to the procedures set forth in paragraph 8.3(3) "b."

8.3(3) Allocation process.

a. In order to determine the order of allocation of the state ceiling to each of the applications for industrial purposes that are simultaneously received pursuant to subrules 8.4(2) and 8.4(4), each application shall be assigned a preference number determined by a random drawing conducted at 10 a.m. on the first day of business of the calendar year at the Iowa finance authority offices. Any person desiring to attend and witness the drawing and assigning of preference numbers may do so. Each application shall be assigned an identification code that shall be written on the outside of the sealed envelope containing the application. The identification codes shall be written on strips of paper and placed in individual envelopes and sealed. The sealed envelopes containing identification codes shall be placed in a container, mixed, and drawn from the container at random by a member of the authority's staff. The application corresponding with the identification code that is drawn first shall be placed first on the list of applicants to receive an allocation of the state ceiling. The application corresponding with the identification code that is selected second shall be placed second on the list, and so forth. Drawings shall continue until all applications are assigned a place on the list of applications received.

b. In order to determine the order of allocation of the state ceiling to each of the applications for state ceiling for political subdivisions that are simultaneously received pursuant to subrules 8.4(2) and 8.4(4), each application shall be assigned a preference number determined by a random drawing conducted at 10 a.m. on the first day of business of the calendar year at the Iowa finance authority offices. Any person desiring to attend and witness the drawing and assigning of preference numbers may do so. Applications shall be assigned an identification code that shall be written on the outside of the sealed envelope containing the application. The identification codes shall be written on strips of paper and placed in individual envelopes and sealed. The sealed envelopes containing identification codes shall be placed in a container, mixed, and drawn from the container at random by a member of the authority's staff. The application corresponding with the identification code that is drawn first shall be placed first on the list of applicants to receive an allocation of the state ceiling. The application corresponding with the identification code that is selected second shall be placed second on the list, and so forth. Drawings shall continue until all applications are assigned a place on the list of applications received.

8.3(4) The governor's designee shall maintain one list of applications for private activity bonds for the purpose of industries and a separate list for applications for private activity bonds for the use of political subdivisions. The applications that are simultaneously received pursuant to subrules 8.4(2) and 8.4(4) shall be listed in the order of preferences established pursuant to paragraphs 8.3(3) "a" and 8.3(3) "b." Applications received after the opening of the first day of business of a calendar year shall be added to the appropriate list depending upon the subject of the application in the chronological order received.

8.3(5) Formula for allocations following June 30 of each year. As permitted by Iowa Code section 7C.5, following June 30 of each year issuers which initially applied for state ceiling allocated under Iowa Code section 7C.4A(6) for bonds, the proceeds of which are to be used by the issuing political subdivision, shall be given priority over any applications received for state ceiling for bonds otherwise requiring an allocation under Section 146 of the Internal Revenue Code.

This rule is intended to implement Iowa Code sections 7C.4A(7) "a" and 7C.5.
