

645—22.11 (158) Minimum equipment and supplies. Barbershops and barber schools shall provide:

1. At least one covered waste receptacle for the disposal of all waste, including hair;
2. Receptacles to hold all soiled towels and capes;
3. Clean, closed cabinets or drawers to hold all clean towels;
4. Disinfectant solution kept in the storage area and at each workstation; and
5. A mechanical paper container and clean shaving paper or clean towel for each barber chair headrest.
