

199—10.5(479) Objections. Any person whose rights or interests may be affected by a proposed pipeline or underground storage facility may file a written objection with the board. Written objections shall be filed with the board not less than five days prior to the date of hearing. The board may, for good cause shown, permit filing of objections less than five days prior to hearing, but in such event the pipeline company shall be granted a reasonable time to respond to a late-filed objection.
