

281—17.7(282) Open enrollment for kindergarten. While the regular time frame in requesting open enrollment is that an application should be made no later than March 1 of the school year preceding the school year for which the enrollment is requested, a parent/guardian requesting to enroll a kindergarten pupil in a district other than the district of residence may make such application on or before September 1 of that school year. In considering an application for a kindergarten pupil, the resident and the receiving district are not precluded from administering board-adopted policies related to insufficient classroom space or the requirements of a desegregation plan or order.

As an alternative procedure, the receiving board may by policy authorize the superintendent to approve, but not deny, applications filed on or before September 1 under this rule. The timelines established in rule 17.4(282) shall apply to applications for a kindergarten pupil.
