

571—114.7(456A) Records and record-keeping requirements. All permittees shall keep a daily record of their nuisance wildlife control activities. Each record must contain the client's name, address, telephone number, date of service, service provider's name, species of animal, number of animals removed, control methods used, and disposition of the animals. Permittees holding an SCGCP must also document on aerial photos, or similar maps, the locations of all Canada goose nests destroyed, the numbers of Canada goose eggs destroyed, and the numbers of Canada geese killed at each project site. These records shall be kept up to date and on file at the business location specified in the permit. The permittee shall provide these records for inspection by a department representative at any reasonable time.
