

**481—575.5(153) Supervision required.**

**575.5(1)** A licensed dentist may delegate the following services to a registered dental assistant under general supervision:

- a.* All extraoral duties.
- b.* Intraoral suctioning.
- c.* Use of a curing light.
- d.* Dental radiography in accordance with rule 481—575.2(136C,153).
- e.* Other intraoral imaging except for taking occlusal registrations or final impressions. Expanded functions may only be performed in accordance with 481—Chapter 577.

**575.5(2)** Dentists may delegate other services that are within the scope of practice of a dental assistant, including expanded functions pursuant to 481—Chapter 577, under direct supervision or as otherwise permitted by rule.

**575.5(3)** A registered dental assistant may practice under public health supervision in accordance with rule 481—574.11(153).
