

**571—23.6(483A) Application for assistance.** Applications shall provide sufficient detail as to clearly describe the scope of the project and how the area will be managed.

**23.6(1) Form.** Applications shall be submitted on forms provided by the department.

**23.6(2) Time of submission.** Applications for funds shall be reviewed and selected for funding during January and July of each year. Applications must be received in acceptable form by the Department of Natural Resources, Wallace State Office Building, Des Moines, Iowa 50319, by the close of business on the last business day of May for consideration at the summer review and the last business day of November for the winter review. Upon timely notice to eligible recipients, additional selection periods may be scheduled if necessary to expedite the distribution of these funds. In emergencies, local entities can obtain a waiver so that acquisition projects may be approved for retroactive payments, provided that funds are available and the project meets all other criteria.

**23.6(3) Local funding.** An applicant shall certify that it has committed its share of project costs, that these funds are available, and shall state the means of providing for the local share. All necessary approvals for acquisition and financing shall be included with the application. All financial income received directly or indirectly from sources that would have been paid to the previous landowner as a result of a purchase agreement or other title transfer action will be completely documented in the application.

**23.6(4) Development projects.** An application for development project assistance may include development on more than one area if the development is of a like nature (e.g., planting trees and shrubs).

This rule is intended to implement the provisions of Iowa Code section 483A.3.
